

Dear Father Orozco:

Congratulations! Holy Apostles has subscribed to FORMED! As you know, this is a gift from Bishop Tyson and the Diocese of Yakima. You have received an annual subscription to FORMED at no cost to your parish for 2 years, and if you choose to renew for a third year the diocese will pay for 50% of the subscription, meaning your cost at that time will be only \$900.

We hope that FORMED will be a blessing to many souls in your parish now and into the future. In fact, Bishop Tyson has stated that the current #1 pastoral priority for the Diocese of Yakima is to get as many people on FORMED as possible. It is a resource that can truly help your parishioners to grow in their faith at home right now during these uncertain and challenging times.

The email address given to us for you is the same address used by the parish to set up the subscription and is registered as the Admin on the account. This person can login to FORMED by following these steps.

- Simply go to www.formed.org. Click "Sign In"
- Username: Admin's email address.

**If you would like someone else from your parish to be the Administrator of your FORMED subscription, we can certainly help you make that change. Simply contact us at www.help.formed.org or call us at (844)367-6331.*

FORMED has Over 4000 titles, many of them in Spanish, not only for your adult parishioners, but also for children and teens. However, while FORMED offers so many wonderful resources for the family to practice the faith at home, our vast array of parish resources make FORMED an incredibly valuable tool for use in all your parish ministries, for faith formation, sacramental catechesis, evangelization and more.

Likely, your parish may have already registered participants for our webinar(s) on April 1st, but just in case, the links are included below. Bishop Tyson will be joining us on the webinars and he asks that every parish participate. We will provide an overview of FORMED and offer you some timely ideas on how you can best implement this resource in your parish. We will also share how you can give all of your parishioners their free access to FORMED under the parish. Please register for one the of the webinars below and share the links with others at the parish who are your key staff members and volunteers so they can also join. Those who cannot attend live will be sent a recording, so please be sure that all your key people register.
